## TYRE CHANGER SA 35 B

Semiautomatic tire changer

Code: **ASM01XSXX0185**

SEMI-AUTOMATIC TYRE CHANGER with flag arm for rims up to 22" external and 25" internal. Solid and reliable. Ease of use, reliability and performance are the features that make it ideal for those who need a versatile tool. Suitable for mounting and remove wheels from cars, light commercial vehicles and motorcycles. Designed for mobile service which, thanks to the fixed pole, reduces the height for the van.
