

CAR / TRUCK &gt; CAR / TRUCK - CTEK BATTERY CHARGERS &gt; CTEK LINEA AUTO E AUTOCARRO

## CHARGER POWERSPORT

Code: **MAA02XXXX0057**

A new battery charger designed for all sports vehicles, from motorcycles to quads, from snowmobiles to jet skis. The 2.3 Amps calibrated power allows it to operate on all the batteries of these vehicles quickly and effectively, with three programs suitable for all standard batteries, AGMs and their Reconditioning.

- **CHECK:** Check battery status and restore capacity by removing sulfates.
- **CHARGE:** Fast and safe charging of the battery up to maximum capacity.
- **CARE:** Patented maintenance for maximum performance and battery life.

**TOSI SNC**
