**MaxiTPMS TBE200**Code: **MTP01XXXX0034**

MaxiTPMS TBE200 is a laser meter equipped with a 1.65 "AMOLED super retina touchscreen, which displays measurement data curves in real time. TBE200 provides uneven wear analysis and detailed replacement and maintenance tips for quick tire service. The dual cameras allow users to document tire wear and damage and scan the tire identification number. TBE200 integrates a laser detection / control system and analyzes the wear of the brake disc.

Use the tool with ITS600 to view and print detailed TPMS reports.
