TIRE TROLLEY

Code:

PT00917

TIRE TROLLEY

Lightness, practicality and high capacity are the main qualities of this innovative tire trolley. It allows the tire specialist to comfortably maneuver heavy sets of wheels, thanks to the patented tilting system and the automatic catch and release mechanism. The robust, bearing-mounted industrial wheels require very little maintenance and leave no marks on workshop floors. Can be used with 13" tires (with some exceptions), up to 20". Dimensions 136 x 53 x 32 cm, weight 20 kg.
