PNEUS LABEL CUSTOMIZABLE

Code: **MAA02XXXX0002**

This type of label is made of a special glue very tight, suitable for all superifci especially those tires although dirty or wet.

The label is composed of three layers. The top one is a special card that allows some to write any type of marker, pen or pencil. the intermediate layer is aluminum, designed to lock in an efficient way the humidity. The third layer is a glue which adheres perfectly to the tread, without damaging it.
